Feedback:	<p>We can only know what you enjoy most and how we can continue improving if you tell us!</p> <p>In trying new ways to collect data more efficiency, this year we are asking you to submit your session feedback via your phone or tablet. Instructions will be provided at conference.</p> <p>Following the event we ask you to complete an online feedback form relating to the whole event. This takes a few minutes and provides valuable information in planning conference 2016.</p>
Black Tie Award Dinner:	<p>Pre dinner drinks will be served at 7pm outside the Discovery Hall with the main event commencing at 7:30pm.</p> <p>The <a href="#">Awards Dinner</a> is renowned for being relaxed and enjoyable with ample opportunity to meet other guests. This is particularly valuable for those attending on their own as the tables are assigned to mix up groups so you get to meet and socialise with people from other organisations. Companies however may wish to sit together as a team. Please advise tables of ten where applicable. It is not too late to <a href="#">book</a> if you haven't done so already.</p>

Attending the conference alone:	<p>A number of delegates are attending the event alone. The foyer outside the "Atlantis" room is a great meeting point for striking up conversation and networking.</p>
Exhibitors:	<p>This year we have a broad and interesting range of exhibitors. This annual event is an excellent opportunity to see in one place what is being offered in the market and now available to the bidding and proposal industry. See products and services at your leisure and on your terms. There is a good chance you will see what your peers are using.</p> <p>The conference web site contains an overview of <a href="#">products and services</a> you can expect to see.</p>
